Mother dear -

A month ago  
tonight we were on our  
way up here - This has been  
a great month in many ways  
and I have enjoyed it very  
very much

I am awfully disappointed  
you didn't telephone me  
this morning instead of Bob  
I would be home now I  
think if you had - Bob  
didn't have my ticket fixed

till today and it may not  
be put through till for a  
week - I came up here after  
lunch it was a glorious  
day & the place looked  
simply beautiful Maim  
droue me up & Mrs Cresor  
Mrs Cresor looked all  
round & thought everything  
looked very very well.  
I got willow pattern dishes  
they were as cheap as any  
other ~~china~~ & much  
better 6 plates - dinner  
tea size 6 cups & saucers  
3 soup plates that they  
can use for vegetables

& the tea pot seton has every thing  
painted up even Auntie's wall  
painted & even can hardly  
see the join in the stairs etc.  
look fine - Skin fixed the floor  
it looks great. & seton painted  
the three new chairs & they look  
very well on the verandah or  
anywhere else.

Bessie, Beth, & Paul are at the movies  
Boe is down town seton is up  
at Raytons & the Thayer's just put  
the kiddies to bed so everybody stay  
up here when everyone is so  
crazy & I see me down town  
have been I am here till I come  
home which will be Thursday  
if my ticket comes back -

I have seen Ben quite a lot  
poor Ben my heart aches for his  
poor eye but he is lucky - we  
are the best of friends just as  
good if not better than ever  
he goes to Burlington for three  
months on the 4<sup>th</sup> July for treatment  
Dadling I love my "sweet pet"  
all the time & will come home  
as soon as you suggest.  
Hugs & kisses to you & your  
Dad. Love the.

My Dear Mr. Hasmuth:-

Just a few lines to let  
you see I am thinking of  
you and wondering how you  
and dear little Dorothy  
are getting along. I do hope  
you are both well and that  
you are gradually but surely  
recovering from your sad, sad  
loss. Time is such a  
wonderful healer & comforter -  
It seems to me, so much  
that distress & trouble we are  
enduring or with which we are

as Luis goes on things seem  
to adjust themselves & we  
forget or fail to realize  
just how distressing our  
conditions were and the  
Proverbial "Silver lining"  
seems to begin to show  
through the clouds again  
and to a certain extent  
we are happy once more -

Frank is a great lot of  
our faith & we trust is it -

I came home three weeks  
ago owing to my husband's  
illness. Love & thankful to

Say he is telling how he shall  
stay here until after Easter -

I have accepted a case for  
the first of May so will be a  
long while again here very long

I do hope I may have the  
pleasure of seeing you both  
here you have for England

Let me know where you  
are expecting to have me  
for dear? I do want to see  
you here for so -

This is all now, some one is  
coming in, the Sympsons  
look like a Patient - I won't  
tell you! Say I - we need them  
in our business - Ha! Ha! -

Two patents!! 'Hooray!'  
& "There's more to follow!"

Hoping to hear from you  
if you have time to write.

I know how busy you are  
always - much love to you  
both, & so often think of you

Very Sincerely Yours  
Margaret L. Moore
